## Faculty Advisory Committee

To ensure problem solving and communication at each site, 3-5 members are elected to serve on a FAC. If you need information about the FAC, go to [ggea.org](http://ggea.org) under resources to read about it. If you and your staff would like a training or a refresher, please contact Tina at [president@ggea.org](mailto:president@ggea.org)

## TK-6 Mileage Reimbursement

During the Professional Development days, elementary teachers drove from the district office to Edgar. If a teacher would like to be reimbursed for mileage, please fill out a mileage form to submit to the district. Ask your site secretary for a form.

## Fire Code Inspections

We have heard from many sites in Garden Grove about their inspections from the Fire Department. If there are major changes that must take place at your site, work with your site FAC to plan how to address the changes. If you need assistance, please contact GGEA.

**Modernization**

We have learned many lessons the past few years during modernization. One is that each site needs to have an organized way to share concerns with the administrator. One way sites in the past have streamlined communication regarding modernization is by utilizing their FAC. We have seen this work at many schools and hope this can benefit your school's process.

**Attorney Available at the GGEA Office**

GGEA provides its members with the opportunity to meet with an attorney for 30 minutes about non-job related issues free of charge. This is on a first come, first served basis. There are spaces available on the following afternoon: September 9, 3:00-4:30. Please call the GGEA office if you wish to schedule an appointment.

**Join the GGEA Facebook Page**

To join, Facebook members search for "Garden Grove Education Association" and ask to join the group. Allow our administrators 24-48 hours to accept your request. If you are concerned about privacy, please make sure your own Facebook page has privacy settings adjusted before joining GGEA Facebook.
