**Super Week Pay Update**  
~~~~~

It was brought to our attention that the pay some of our members received for Super Week did not include all of their hours. We brought this problem to the District Administration's attention, and they researched why some members did not receive their full pay. Dr. Mafi has since set into motion the creation of a new system for signing in and out of trainings.

While some of our members did not receive their full pay in the September 30th check, the remaining portion will be in the October 31st checks. Unfortunately, the Orange County Department of Education check issuing system does not allow for a quick turn around, and the District did not have enough petty cash to issue these checks outside of the normal timeline. This is not as fast a turnaround of how quickly we would have liked the problem to have been resolved; however, our members will be made whole for the pay they should have received. We also look forward to the new system being developed that will not cause any delays in payment in the future.

The District Administration has sent out an email regarding this issue, so please look for their account of the situation in your District emails.

The Standard Disability Insurance

Your time to apply for CTA-endorsed Disability and Life Insurance is running out! We are VERY CLOSE to reaching our goal. Don't miss this special opportunity to enroll in Disability and Life Insurance plans designed specifically for educators like you.

You only have until October 31 to apply for this important coverage: [TheStandard](#)

If just 5% of eligible Garden Grove Education Association members apply for Disability Insurance by October 31, every eligible member who applies will get coverage.

Please remind any new members that they do NOT have

CA State Disability Insurance and must purchase their own.
