	When does your District take Spring Break? (Week before Easter, week after, other?)	In 2011 Easter will fall on April 24 which is the middle of STAR testing window. Is your district making any accommodations due to this potential conflict? If so what?	Is your calendar a negotiable item or "meet and confer"?

*OSCCSurvey1 (3) (2).pdf	2nd week of april. Our calendar is aligned with the high school district we feed into and the break is at the trimester break.	No. It does not conflict with our break	Negotiable

Capistrano	Capistrano Unified always takes the 2nd week in April for Break, no matter when Easter falls.	No need to since Capistrano takes the 2nd week in April for break.	Meet and Confer

Buena Park	Depends. We have two factions in our district and they duke it out every year. Sometimes one side wins and sometimes the other side wins. One group likes to attach spring break directly to the easter holiday. the other group likes to tie it to the high school district we feed into which always has their spring break exactly nine weeks before the end of the year.	our calendar for 2010-2011 hasn't been created yet.	Meet and Confer
Fullerton Elementary	This year our spring break is april 9th - 16th... we set our calendar three years in adv. and it does not have to do anything with Easter	not that I am aware of.	Negotiable
OC High School of the Arts	Other- depends on when Passover/Easter falls, and STAR testing requirements.	We are taking our break starting April 4. We are thinking about permanently changing to the first week of April every year.	Negotiable
