## **Personal Message to GGEA Members 12/4/2020**

Dear GGEA Members,

Unfortunately, I must tell you that I have tested positive for COVID-19.

Although I believe that I was disciplined in my mask wearing and social distancing habits, it appears that it was not enough, or I let my guard down. I've been fortunate to have only experienced mild symptoms, but others have not been as fortunate. I employ all of us to continue doing what we can to mitigate our COVID risk.

Per medical advisement I am to stay home until at least 10 days have passed after my symptoms first appeared and my fever is gone for 24 hours without the use of fever-reducing medications and respiratory symptoms have improved. I can say at this time the fever has gone and I've only experienced coughing.

I notified the GGEA office staff and they will be quarantined while working remotely. All calls will be forwarded to the proper people in the office.

If you have come in close contact with me (within 6 feet and for more than 15 minutes) within the past week, please get tested.

Stay strong, safe, and healthy. ~Kelly
