The office staff and I met today with our R&E Chair Willie Burghard to go over the internal logistics of setting up voting.

Voting will be conducted using our personal emails that we have on the GGEA data base. These emails will not be used for any other purpose besides GGEA communications and chapter voting.

In order to have a successful election process, it is imperative that we have your correct email address.

Some of you will require mail ballots and we will need your correct mailing address.

**Please email [jennyg@ggea.org](mailto:jennyg@ggea.org) or [membership@ggea.org](mailto:membership@ggea.org) if your personal email and/or mailing address has changed.**

As we get more information on how electronic voting will work, we will let you know.
