### **Region IV Leadership Conference**

**2022 Region IV Leadership Conference** taking place from Friday, April 22 - Sunday, April 24, 2022 at the Hilton Orange County/Costa Mesa.

"This conference, "Fight for the Present, Shape the Future" is centered on the idea that building strong local unions and school site structures through nuts and bolts organizing, including Member and Community Engagement, is the key to a stronger Union. Our ability to connect with every member on school sites around our shared values is the foundation of building the necessary power to continue in our roles as advocates for students, colleagues, the teaching profession and public education in California. Please consider joining your colleagues from across Southern California as we hone the practice of building relationships by developing our skills and knowledge through [multiple course offerings](#)." For more information:

### **Dedicate Your Miles to Kids Fighting Cancer**

Cancer is the leading cause of death by disease for children under the age of 19 in the U.S. One in 285 American children will be diagnosed with cancer by the time they are 20 years old. Whether it's your child, a neighbor, or the relative of a colleague, the chances are strong that someone you know will have their lives shattered by pediatric cancer.
