New Educators CTA Member Benefits Enrollment Opportunity Ending Soon

Congratulations, new educator! You have nearly made it through your first year of teaching – and this year, especially, we know how challenging it has been.

CTA is here to support you in many ways, including in protecting your financial health. One of the best ways you can protect what matters most to you is with CTA-endorsed Disability and Life insurance plans that can help protect your paycheck and loved ones if something happens to you.

And now you have a limited-time opportunity to apply for this important coverage **without answering health questions.**

New Educator Enrollment Opportunity
If you became a CTA member for the first time within your first 90 days of work, your CTA Member Benefits included CTA Introductory Disability insurance from The Standard, at no cost to you. This coverage extends for 9 months. If you were covered under this plan, **you must act soon to continue your coverage.**

You can continue protecting your paycheck, without having to answer any health questions, when you apply to convert your coverage to CTA-endorsed Voluntary Disability insurance before your Introductory coverage ends.
